Kindles Initiative
• Please have your child charge their Kindle every night and bring it back to school each day
  • We recommend you leave the charger at home, not in the case due to cracked screens
• Each child should not have more than two books at a time, except for required class readings
  • The cloud is a library, so once it’s checked out no one else can read it
  • Please return books back to the cloud after you are finished reading each book
• Please do not put passwords on the device and do not change the name of the device
